C F F C
Looking out at a quarter moon and the shining northern star
Am G F G
Wondering where I went wrong or if I went too far
Am F G Am G F
Calm waters all around me paint a peaceful silhouette
C G F C
I don't know if I can get there straight, but I know I'm not there yet

I'm reaching out to you girl, will you pull me through
C G F C
If I can get through this high water, I can make it back to you
