

# A FOOL FOR LOVE

INTRO - C Fmaj7 - C Fmaj7

C Fmaj7  
Sometimes a man is a fool for his love

C Fmaj7  
He may be found lying in a pool of tears

C Fmaj7  
Though his heart be broken time and time again

C Fmaj7  
These faithful words he's spoken last all through the years

G F G  
If I had it all to over again, I'd do it all the same

G F G  
If it be a life worth living, it won't be spent in no lying game

C D  
I've seen the sun come shining through from the other side

C D C Fmaj7 C Fmaj7  
And I've known the feeling of a man who's been satisfied

C Fmaj7  
Sometimes a man is a fool for his pride

C Fmaj7  
He may become lost in his own charade

C Fmaj7  
Though his dreams be shattered time and time again

C Fmaj7  
He remembers his life for the love he's made

G F G  
If I had it all to over again, I'd do it all the same

G F G  
If it be a life worth living, it won't be spent in no lying game

C D  
Sometimes it's hard doing what your heart tells you to

C D C Fmaj7 C Fmaj7  
Especially when the wrong thing is such an easy thing to do
