

TOUGH GUY

“Tough Guy” is a spoof about Harley motorcycle riders, but no harm intended. It is both a fun and funny song. This is one of the most requested songs that The Tiki Seekers play at their live shows. It always brings a rousing ovation, which in this case will translate over to ‘commercial success’. This pop-rock song if recorded, will get lots of plays for sure!

“I’m a ‘Tough Guy’, I wear a rag around my head and ride a Harley
I smoke three packs a day and drink a case of beer
Yes, I’m a Tough Guy, don’t you mess with me
Or I’ll run your ass over with my Harley”
