

CAT AND MOUSE

CAPO 2

INTRO - Bm Em F#m - Bm Em F#m

Bm Em Bm Bm Em Bm
I picked up a girl this morning, she was hitchhiking down the street
Bm Em F#m Bm F#m Em (Bm Em F#m) 2
Just about the sweetest thing you ever did see, the kind of girl you love to meet
Bm Em Bm Bm Em Bm
We talked for about an hour, then I asked her home to my place
Bm F#m Bm
She said, I don't see why not, it's alright with me
F#m Em Bm F#m Em (Bm Em F#m) 2
This day is much too pretty to waste, and she smiled as I looked at her face

Bm Em Bm Bm Em Bm
I put on a little music, I guess it went to her head
Bm F#m Bm F#m Em Bm F#m
'Cause in a minute or two she was all over me, and this is what I said
Bm F#m Bm Bm F#m Bm
You can love me if you want to, you can hate me that's ok
Bm F#m Em Bm
But you're wrong if you think you're gonna turn me on
F#m Em Bm F#m Em (Bm Em F#m) 4
'Cause I just don't work that way, and it never happens anyway

Bm Em Bm Bm Em Bm
When it was over my body was shakin', we sat and drank a bottle of wine
Bm Em F#m Bm F#m Em (Bm Em F#m) 2
She said, I bet you feel a little different right now, I said, I really am feeling fine
Bm Em Bm Bm Em Bm
There's something I just gotta tell you, one thing I really wanna say
Bm F#m Bm
It happened for the first time and you're the one
F#m Em Bm F#m Em (Bm Em F#m) 2
Now I've got to have you every day, and I think I love you anyway

Bm Em Bm Bm Em Bm
Please stay until to tomorrow, you're driving me out of my head
Bm F#m Bm F#m Em (Bm Em F#m)

She looked in my eyes and to my surprise, this is what she said

Bm Em Bm Bm Em Bm
I really did enjoy this morning, I thank you for a very nice time
Bm Em F#m Bm

But it's my own damn business when and where I go

F#m Em Bm F#m Em Bm F#m
And with whom I drink my wine, by the way, that's one hell of a line

Bm F#m Bm Bm F#m Bm
You can love me if you want to, you can hate me that's ok

Bm F#m Em Bm
But you're wrong if you think you're gonna turn me on

F#m Em Bm F#m Em (Bm Em F#m) 4
'Cause I just don't work that way, and it never happens anyway

Bm Em Bm Bm Em Bm
There's a lesson to be learned here, one that's not easily taught

Bm Em F#m Bm F#m Em Bm F#m
Be careful when you go playing CatAnd Mouse, you just might get yourself caught

Bm F#m Bm Bm F#m Bm
You can love me if you want to, you can hate me that's ok

Bm F#m Em Bm
But you're wrong if you think you're gonna turn me on

F#m Em Bm F#m Em (Bm Em F#m) 4 Em Bm
'Cause I just don't work that way, and it never happens anyway
