

# HEAVEN'S GATE

**INTRO - G C Am D G**

**G C**  
I have sailed the mighty oceans for a year

**Am C D**  
But the winds of change have died and left me here

**G C**  
What I'm asking you I hope is very clear

**Am D G**  
For to be alone is my greatest fear

**C G**  
Take my hand, come with me

**C D**  
May the wind, set us free

**G C**  
Sail away, let us not wait

**Am D G**  
For the ocean is the door to Heaven's Gate

**C Em**  
Storms may lie ahead in angry skies

**C Am D**  
But there will be calm in your eyes

**C G**  
Take my hand, come with me

**C D**  
May the wind, set us free

**G C**  
Sail away, let us not wait

**Am D G**  
For the ocean is the door to Heaven's Gate
