

# ROLLIN'

**Dm**

One foot out the window, one foot on the gas

**Dm**

Goin' down the highway, really kickin' ass

**Gm Dm**

I'm a rollin', rollin'

**Gm Am Dm Am**

Rollin', rollin', rollin', my life away

**Dm**

Goin' out this evenin', hangin' with my crew

**Dm**

Won't be home 'til mornin', when my rollin's through

**Gm Dm**

I'm a rollin', rollin'

**Gm Am Dm Am**

Rollin', rollin', rollin', my life away

**Dm Gm Dm**

I'm rollin, rollin', rollin', rollin'

**Am Gm Dm Am**

Rollin', rollin', rollin', my life away

**Dm**

I came home this mornin', fell in my front door

**Dm**

Couldn't move a muscle, laid there on the floor

**Gm Dm**

Just a rollin', rollin'

**Gm Am Dm Am**

Rollin', rollin', rollin', my life away

**Dm**

I might stop tomorrow, I might stop today

**Dm**

I might not stop at all, I can't really say

**Gm Dm**

I'm a rollin', rollin'

**Gm Am Dm Am**

Rollin' rollin', rollin', my life away

**Dm Gm Dm**

I'm rollin', rollin', rollin', rollin'

**Am Gm Dm Am**

Rollin', rollin', rollin, my life away

**Dm**

One foot out the window, one foot on the gas

**Dm**

Goin' down the highway, really kickin' ass

**Gm Dm**

I'm a rollin, rollin'

**Gm Am Dm Am**

Rollin', rollin', rollin, my life away

**Dm Gm Dm**

I'm rollin', rollin, rollin', rollin'

**Am Gm Dm (Dm)**

Rollin', rollin', rollin', my life away

**Am Gm Dm (Dm)**

Rollin', rollin', rollin', my life away

**Am Gm Dm**

Rollin', rollin', rollin', my life away
