

GULF HOUSE RESORT

INTRO - C D C G - C G C D G (CAPO 5)

Bm Em 1st Verse

I went over the edge last week

Bm Em

Had to get out of town

C G

It had been years since I headed south

C D

But a few friends still were around

Bm Em

I got an offer to stay for a while

Bm Em

At a place they said had quite a view

C G

To quote my old friend, King Priam of Troy

C D G

For once, the rumors are true

CHORUS

C D
I've been through four seasons in four hours

C G

There's nothing else new to report

C G

You can find me down in paradise

C D G

Staying at the Gulf House Resort

Bm Em 2nd Verse

Every morning I go for a walk

Bm Em

Under the thatch roof I sit

C G

Watching the seabirds fight for a spot

C D

But they never seem to all fit

Bm Em

Just like people who want to belong

Bm **Em**
Some never do quite fit in
C **G**
Everyone knows that life isn't fair
C **D** **G**
But still I think it's a sin (REPEAT CHORUS)

C **D**
The soft gulf breeze that was once warming me
C **G**
Has changed to a chilly north wind
Bm **Em**
Out in the distance, thunder is rolling
C **D**
There may be a storm blowing in
C **D**
Time to head back to my chair on the porch
C **G**
Just sit there and try not to think
Bm **Em**
Rain is now falling and someone is calling
C **D**
I think that it's time for a drink (Repeat Chorus)

C **D**
I've been through four seasons in four hours
C **G**
There's one thing new to report
C **D**
I'd trade the last twenty years for just six more months
C **D** **G**
Here at the Gulf House Resort
C **D**
I'd trade the last twenty years of my life to stay here
C **D** **G**
With my friends at the Gulf House Resort
C **D** **G**
Here at the Gulf House Resort
