

I FEEL LIKE A ROCK

This inspirational, slow blues song is hard to describe, but you'll get it when you listen. Let me tell you a little about it. We all have our times when we feel alone and lost. A common theme in many of my songs is going from a feeling of hopelessness to a feeling of hope. We need to feel that our lives have meaning. In the end, we try to find something to hold onto. In this song, the line, "this life has been good for my soul" is the salvation we are looking for. At the end of the song, a final reward awaits.

"Now that I'm here, as I look around
There's so many rocks, they cover the ground
So I'm not alone, and I'm not afraid
It seems this old rock's debt has been paid"
