

RAINY DAY MAN

“Rainy Day Man” is an old-fashioned rock song about a guy we all know who lives at his favorite bar. He has his own chair and loves to just hang out and give advice to everyone! You know, ‘Good Time Charlie’, I’m here if you need a friend. It’s like the bar is his office and he fancies himself to be the ‘shrink du jour’. This is a fun, driving, rock song. Sure to get a listen and a laugh.

“They say I’m nobody’s fool
I’m just plain cooler the cool
I do the best that I possibly can
If you’ve a problem to share
You know where I am
I’ll always be there
Call on your Rainy Day Man”
