

ONE GOOD WOMAN

CAPO 2

INTRO - (F)

F **Bb**
I woke up yesterday morning, feeling kind of low
C **C7** **Bb** **F**
Picked myself up and got it together, it was time to go
F **Bb**
Walked out the door and headed down the road, much to my surprise
C **C7** **C7** **Bb** **F**
I kicked this old can and a genie popped out, right before my eyes

GENIE - SPOKEN

“Good day my lucky fellow to whom I have the pleasure of endowing three wishes of graciousness, extravagance, and goodwill toward men. May you forever be indebted to the generosity for which I, your humble servant, have bestowed upon you.”

F **Bb**
Well, I couldn't tell just what he said, he talked kind of funny you see
C **C7** **Bb** **F**
Something about it was my lucky day and three wishes he was giving me
F **Bb**
Maybe I didn't hear you right, maybe I'm just plain dumb
C **C7** **C7** **Bb** **F**
But you see Mr. Genie, about those wishes, all I need is one
F **Bb** **F**
I just want one good woman by my side
F **Bb** **C** **C7**
I just need one good woman to keep me satisfied
F **Bb**
You can have all the money in the world and keep your wishes too
F **Bb** **C** **C7** **F**
Just give me one good woman to give my loving to

F **Bb**
 He jumped in the air and starting spinning around, when he came back down
C **C7** **Bb** **F**
 There she was right next to me with two feet on the ground
F **Bb**
 I guess it really was my lucky day, 'cause it's plain to see
C **C7** **C7** **Bb** **F**
 One good woman is all it took, the rest is history

F **Bb** **F**
 I just want one good woman by my side
F **Bb** **C** **C7**
 I just need one good woman to keep me satisfied
F **Bb**
 You can have all the money in the world and keep your wishes too
F **Bb** **C** **C7** **F**
 Just give me one good woman to give my loving to

F **Bb**
 So if it ever comes to pass, and it's your lucky day
C **C7** **C7** **Bb** **F**
 Just look that genie right in the eye, and this is what you say

F **Bb** **F**
 I just want one good woman by my side
F **Bb** **C** **C7**
 I just need one good woman to keep me satisfied
F **Bb**
 You can have all the money in the world and keep your wishes too
F **Bb** **C** **C7** **F**
 Just give me one good woman to give my loving to
F **Bb** **C** **C7** **F** **Bb7** **F** **Bb7** **F** **Bb7** **C** **C7** **F**
 I just need one good woman to give my loving to
