Bazookas in my pocket, riding on a rocket

Plugged into a socket, don't try it till you knock it

Hello my love, thought I'd call my love

Trying not to inhale, feeling like I'm in jail

G C C
How are you my little dove

Every time I think about you, all I do is cry

It's so hard to live without the apple of my eye
F G C F C
I don't know if I can make it, but I'm gonna try
