

HEAVEN'S GATE

This beautiful trop-rock ballad (with a touch of country) is a love song that has stood the test of time. It has been requested to be sung for two weddings and one engagement party right here in Marathon just 50 miles from Key West, Florida. It is a story about finding love and taking off together on a sailing adventure in search of Heaven's Gate.

"Storms may come and go in angry skies
But there will be calm in your eyes
Take my hand, come with me
May the wind set us free
Sail away, let us not wait
For the ocean is the way to Heaven's Gate"
