

IT MAKES ME CRAZY

INTRO - Am7 Em7 - Am7 Em7

Am Em7 Am Em7
So many reasons for leaving this life behind
Am Em7 Am Em7
Am I deceiving myself, or have I just gone blind
F C
When I think of you it makes me sad
F C
I ain't got sense enough to let it get me mad
F C
Losing you, when you were the only thing I had
Am Em7 Am7 Em7 Am7 Em7
Oh, don't you know, it makes me crazy

Am Em7 Am Em7
So many questions I'll leave unanswered when I go
Am Em7 Am Em7
But what does it matter, some things we are not meant to know
F C
Each of us must live our life a different way
F C
As for me, well, I may not choose to stay
F C
And people that I know, they will surely say
Am Em7 Am7 Em7 Am7 Em7
Oh, don't you know, he must be crazy
Em7 Am7 Em7 Am7
He must be crazy, I must be crazy
