

# SWEET GRENADINE

**INTRO - G G C G D C G D (Capo 1)**

**G**

I got a girl named Jesse Jean

**G**

She's really tall and pretty lean

**C**

I never met a girl like her before

**G**

She's gotta duck comin' in the door

**D**

I say, "Hey Jesse, what's the score"

**C**

**G**

**D**

She says, "I'll show you what these long legs are for"

**G G C G D C G D**

**G**

I took her out just the other night

**G**

I could tell somethin' wasn't right

**C**

I said, "Come on Jesse, I don't wanna fight"

**G**

She said, "Get me a drink and I'll be alright

**D**

Order me somethin' tall and mean

**C**

**G**

**D**

With just a splash of that sweet, sweet, Grenadine"

**G**

She says, "Sweet, sweet, sweet Grenadine

**G**

Simply divine and a little obscene

**C**

Sweet, sweet, sweet Grenadine

**G**

I gotta have it, if you know what I mean"

**D**

She says, "I like my drinks and I like my men

**C**

**G**

**D**

So keep it comin', and, let's do it again"

G G  
Sweet, sweet, sweet Grenadine, Sweet, sweet, sweet Grenadine  
C G  
Sweet, sweet, sweet Grenadine, She's gotta have it if you know what I mean  
D  
She says, "Order me something tall and mean  
C G D  
With just a splash of that sweet, sweet, Grenadine"

G  
Me and Jesse, we been goin' strong  
G  
Somethin' about her, we just get along  
C  
If she gets hot, I take her out for a drink  
G  
It cools her down and gives her time to think  
D  
She says, "Order me something tall and mean  
C G D  
With just a splash of that sweet, sweet Grenadine"

G G  
Sweet, sweet, sweet Grenadine, Sweet, sweet, sweet Grenadine  
C G  
Sweet, sweet, sweet Grenadine, I gotta have it, if you know what I mean  
D  
She says, "Order me something tall and mean  
C G D  
With just a splash of that sweet, sweet, Grenadine"

G  
Sweet, sweet, sweet Grenadine  
G  
Simply divine and a little obscene  
C  
Sweet, sweet, sweet Grenadine  
G  
She says, "I gotta have it, if you know what I mean  
D  
I like my drinks and I like my men  
C G C D C G  
So keep it comin', and, let's do it again"
