

# IT'S ALL GOOD

"It's All Good" is a mellow song with an uplifting message. It can be sung by anyone and for anyone. It was originally written for a friend in a stressful situation. This is your chance to 'pay it forward'.

"There's so much that we have to live for  
Like the rain that falls down from the sky  
Like the sun that warms you through and through  
Like the wind that blows the clouds away  
Like the smile I see upon your face  
You're ok. It's alright. Life is good. It's all good"
