

CRAZY BABY

Sounds like it could be a Joe Walsh song (a little crazy). This guy tells it like it is. No holding back. He may be crazy, but he's not alone.

"Don't go to church, never did finish school
Preacher was drunk and the teachers were cruel
Live all my life by just one simple rule
I may be crazy, but I'm nobody's fool
I'm Crazy Baby, I'm insane
Sitting here watching it all go down the drain
I'm Crazy Baby, I'm insane
You'd like to see me with a ball and chain"
