

# SWEET GRENADINE

What a song! A story about a hot chick named Jesse Jean – “she likes her drinks tall and mean, with just a splash of that Sweet Grenadine”. Male solo artist or band, this rocker really grabs an audience’s attention. Story, melody, energy – this song has it all!

“Sweet, Sweet, Sweet Grenadine  
Simply divine and a little obscene  
Sweet, Sweet, Sweet Grenadine  
She’s got to have it, if you know what I mean”
