

NOTHING LIKE A GOOD DOG

INTRO - G Bm C D G (CAPO 4)

G Bm
People come and go, the times they're always changin'
C G
You never know what's gonna come your way
G Bm
Sometimes it's chicken boy, other times you just get feathers
C D
Sometimes the sun shines, other times it rains all day
C D G
But there's nothing like a good dog

G Bm
I've walked the line, and many a windin' roads
C G
Sometimes I know I lost my way
G Bm
I've hung around, and I've come and gone
C D
This time I think I'm here to stay
C D G
And there's nothing like a good dog

Bm Em
You'll never know how many times I've cried
C D
He just sat there by my side
C D G G Bm C D G
There's nothing like a good dog

Em Bm
I met a woman who finally won my heart
C G
I went and asked her for her hand
Bm Em
My dog ran away, I guess he didn't like her much
C D
Some things you just can't understand
C D G G Bm C D G
But there's nothing like a good dog

G **Bm**
Then came the day, she walked right out that door
C **G**
And left me here, the fool I am
G **Bm**
I was alone again, just like before
C **D**
But now I think I understand
C **D** **G** **G Bm C D G**
That it's hard to find a good dog

Em **Bm**
I packed my things, headed down the road
C **G**
And I looked back for one last time
Bm **Em**
I saw that dog in the rear view mirror
C **D**
He was running right behind
C **D** **G**
There's just nothing like a good dog

G **Bm**
I stopped the truck, and he jumped inside
C **D**
Ever since that day, he stays right by my side
C **D** **G**
And there's nothing like a good dog

Bm **Em**
You'll never know how many times I've cried
C **D**
He just sits here by my side
C **D** **G**
There's just nothing like a good dog
C **D** **G** **(G)**
For sure, he's been a mighty fine dog
