

KEEP ON KEEPING ON

INTRO - Gm Dm Eb F Gm

Gm **F**
I woke up this morning, somewhere in my mind
Eb **Gm**
Walking down a road in another space and time
Gm **F**
There were voices speaking softly, and faces looking kind
Eb **Gm** **Gm Dm Eb F Gm**
They took me to a place, I thought I'd never find

Gm **Cm**
I swam the river and I drank the rain
F **Gm**
Walked on a burning sun and felt no pain
Gm **Cm**
Talked to a madman who was quite insane
Eb **F** **Gm**
He said, keep on just keeping on my son (and I said)

Gm Dm Eb F Gm
Tell me what you see
Cm
I am younger than you and I need a helping hand
Gm
There's so much for me to learn, so much to understand
F
I am on journey, the journey of a man
Eb
Trying to find his way back home
F **Gm** **Gm Dm Eb F Gm**
But it seems, I'm going nowhere
