

FOOL OF THE GREATEST MAGNITUDE

INTRO (Em) - G A (Em) G A (Em)

Em A Em
I am a fool of the greatest magnitude

G A Em
I walk alone, down city streets I roam

G A Em
In search of love, the love I never found

G A Em
In search of time, for mine has all run out

G A
On a dead man's walk you can do what you like

G Em
There's not much to think about

Em G Em
You're not really dead or alive

Em G Em G Em A Em (G A Em) 2
The notion is cruel, but you are a fool of the greatest magnitude

Em A Em
I am a fool of the greatest magnitude

G A Em
I walk alone, down city streets I roam

G A Em
In search of faith, for I cannot believe

G A Em
In search of truth, for I shall not deceive

G A
On a dead man's walk you can do what you like

G Em
There's not much to think about

Em G Em
You're not really dead or alive

Em G Em G Em A Em (G A Em) 2
The notion is cruel, but you are a fool of the greatest magnitude

Em A Em
 I am a fool of the greatest magnitude
G A Em
 I walk alone, down city streets I roam
G A Em
 In search of blood, to fill my empty veins
G A Em
 In search of life, for only death remains
G A
 On a dead man's walk you can do what you like
G Em
 There's not much to think about
Em G Em
 You're not really dead or alive
