

OCEAN BLUE

“Ocean Blue” is a soft, ballad, love song. It could be a solo male or female vocal, or a great duet. This pretty little tune is the story of a relationship in which one partner is pledging their ‘questioned loyalty’ to the other.

“If you don’t want me
Then you must set me free
Send me to the bottom of the Ocean Blue
If I can’t be with you
Send me to the bottom of the Ocean Blue
I swear I do love you”
